The governing Instrument is a Scheme sealed on the 8 July 1994. There are byelaws to assist good administration with an additional bylaw instigated to ensure that action can be taken against individual where alcohol and anti-social behaviour are being displayed.

The Charity has responsibility for Collett Park, which is a public park, south east of the Town Centre having an area of approximately 15 acres. It has extensive grassed areas and also a football field, lake and two areas of play equipment. Public Toilets are provided adjacent to the Park. The football field is utilised by the community, and the lake is utilised for occasional regattas, by the Drifters Model Boat Club. The play equipment areas are well used by young children and the general public enjoys the grassed open areas and the landscape provided by mature trees and shrub borders.

In the current year a project to adorn the interior of the Park Shelter with glass mosaic was undertaken and funded by the Shepton Mallet Young Peoples Centre and a further project to install additional play equipment is progressing and will complete in early 2009.

Each year on the second Saturday in June, the Trustees sponsor Collett Festival, which commemorates the gift of the Park to the Town in 1906, which is enjoyed by the general public from the Town and many surrounding areas.

The Park has continued with improvements to bedding areas and the maintenance continues to the 200 plus mature trees with emphasis now reflecting new and replacement planting. Ten new Cherry Trees were planted to assist the formation of a tree avenue to the Charlton Road entrance.

The Trustees have previously resolved an "Agreement of Licence" as from the 1 April 2003 to permit the Town Council to occupy, open the park for public use at all reasonable times, keep well maintained, introduce and enforce such rules and regulations as appropriate for the proper control as to the use of the Park and effect full Public Liability cover free of any payment.

The current Ground Care "Best Value" Contract commenced on the 1 April 2002 with Quadron Services Limited for an initial 2-year contract period, which following a performance review is extended subject to continued performance until February 2011. The contractor's performance has been acceptable throughout this period and the foundations have been set for increased improvements and enhancements to the Park in the forthcoming year. The trustees are looking to achieve the "Green Flag Award" status for the park and are working in partnership with the contractor towards this goal.

In financial terms this Charitable Trust has remained dormant throughout the period of the Licence. The Shepton Mallet Town Council will continue to account and finance all expenditure resolved for Collett Park, however to comply with financial accounting a dedicated bank account is in operation specifically for Collett Park. All monies (income) received are paid directly into this bank account and at each year-end the balance held in the account (minus an account float of £30) is transferred to Shepton Mallet Town Council to offset expenditure.
